

Coconut Records, Back To You

Wouldn't it be good if you could stay
But I know you can't
And I know you wouldn't anyway

Wouldn't it be good if you could stay
But I know you can't
And I know you wouldn't anyway

Oh I know you have to go
Yes I know you have to go
So why won't you take me
With you
Whoa

I will wait as long as it
Will take me to get back to you

I will wait as long as it
Will take me to get back to you

Fly
To you

Wouldn't it be good if you could stay
But I know you can't
And I know you wouldn't anyway

Wouldn't it be good if you could stay
But I know you can't
And I know you wouldn't anyway

Oh I know you have to go
Yes I know you have to go
So why won't you take me
With you
Whoa

I will wait as long as it
Will take me to get back to you

I will wait as long as it
Will take me to get back to you

Fly
Oh fly
To you

Well I know you have to go
Yes I know you have to go
But why won't you take me
With you
Whoa

I will wait as long as it
Will take me to get back to you

I will wait as long as it
Will take me to get back to you

Fly

Oh fly
Oh fly
Oh fly
To you
To you
To you
To you
To you
To you
To you
To you
To you
To you

Sun is out
The sky is blue
And all I do is dream of you
And all my baby's gone

I don't have much
No just a few
And all I do is dream of you
And all my baby's gone gone gone
And all my baby's gone

Sun don't shine
Sun don't shine
When your baby's gone away
Sun don't shine
Sun don't shine
When your baby's gone away
When your baby's gone away
Ay ay
