

# Cocteau Twins, Frosty The Snowman

Frosty the snowman was a jolly happy soul  
With a corn cob pipe and a button nose  
And eyes made out of coal

Frosty the snowman is a fairy tale, they say  
He was made of snow, but the children know  
That he came to life one day

There must have been some magic in that old silk hat they found  
For when they placed it on his head, he began to dance around

Frosty the snowman was as live as he could be  
And the children say he could laugh and play  
Just the same as you and me

Frosty the snowman knew the sun was hot that day  
So he said 'Let's run and have some fun, now  
Before I melt away.'

Down to the village with a broom stick in his hand  
Running here and there all around the square  
Saying, 'Catch me if you can!'

He led them down the streets of town right to the traffic stop  
He only paused a moment when he heard them holler 'Stop!'

Frosty the snowman had to hurry on his way  
But he waved goodbye saying, 'Don't you cry  
I'll be back again, someday.'

Frosty the snowman was as live as he could be  
And the children say he could laugh and play  
Just the same as you and me

Frosty the snowman knew the sun was hot that day  
So he said 'Let's run and have some fun, now  
Before I melt away.'
