

Code Red, Shut Up(And Sleep With Me)

Shut up
and sleep with me
Come on why don't you sleep with me
Shut up
and sleep with me
Come on uh huh and sleep with me(repeat x4)
I love your body
Not so much I like your mind
Infact you're boring
Pretend not being of my kind
You keep on talking of some girl I don't know
When will you shut up and when will we go
You were young, you're free,
Why don't you sleep with me?(repeat x2)
Shut up
and sleep with me
Come on why don't you sleep with me
Shut up
and sleep with me
Come on uh huh and sleep with me(repeat x2)
Shut up
Shut up
Shut up
Shut up
Shut up
Shut up
Shut up
Shut up...up...up
Don't you listen to those old conventions
No try to suppress your real intentions
You're open minded, at least that's what you keep on sayin'
Don't be afraid of doing what you're best at
Shut up
and sleep with me
Come on why don't you sleep with me
Shut up
and sleep with me
Come on uh huh and sleep with me(repeat x2)
Shut up...
Shut up
and sleep with me
Come on why don't you sleep with me
Shut up
and sleep with me
Come on uh huh and sleep with me(repeat x6, fade out.)
