

# Cody Simpson, Wish U Were Here (ft. Becky G)

[Cody Simpson:]

Lately I got this feeling  
I don't know what's the meaning  
But I know it's strong  
And it's over you  
All I want is to be home with you  
Oh oh oh  
I'm coming right back  
Oh oh oh  
Livin' without you is (no, no)  
I'm coming right back  
Oh oh oh

I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter  
When you are near  
Am I making it clear?  
The music is better  
And right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here

At night  
A different city  
Brighter lights  
Should be pretty  
But they can't compare, no  
To the light from you  
All I want right now is to be home with you  
Oh oh oh  
I'm coming right back  
Oh oh oh  
Livin' without you is (no, no)  
I'm coming right back  
Oh oh oh

I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter  
When you are near  
Am I making it clear?  
The music is better  
And right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here

[Becky G:]

Yeah, Becky G, hey  
Can't wait 'til you come back home  
I know it's late, hold you above the phone  
It's so hard gettin' by all alone  
So call me back, leave a message at the tone  
I know, you know, I know we can make it by  
It's been too long since I've looked into your eyes  
And I'm waitin' so hurry back

Bring the shine boy  
You better follow the path  
Car, bus, train, go and get a cab  
Or just fly here, jet pack  
Roger that, do you copy?  
I was a puzzle piece, but you solved me  
Our future, I see is so clear  
And right now...

I wish you were here  
Yeah, I wish you were here  
Music is better  
And lights are brighter  
When you are near  
Am I making it clear?  
The music is better  
And right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here  
Oh oh oh  
Right now I just wish you were here
