

Coheed And Cambria, Ten Speed (Of God's Blood)

I can feel it in the way your blood
And heart beats
(My body's cold and it thinks that I'm already gone)

Or is it in the way your body
Moves?
(I'd like to tell you but I think that you already know)

The words that drag out from your mouth
Speak
(So listen up world! Listen up world!)

In her vision I have given
Company
(They see no evil in leading their bodies from)

Believer
You'll leave her
In leaving them all
(No, but I don't buy it)

Like anything you do
As anyone you are
(Ten Speed! If I must, then I must!)

Believer
You'll leave her
In leaving them all
(No, but I don't buy it)

Like anything you do
As anyone you are

(If written wrote me even...)

If written wrote me even changed
The choice to save you

I wouldn't answer if it even
Had to ask

In her figure I've instilled a taste
Of my own
(So listen up world, listen up world)

To make it easier to take
What life I'm owed
(As the curse has returned from the hell, of your heart, and your soul)

Believer
You'll leave her
In leaving them all
(No, but I don't buy it)

Like anything you do
As anyone you are
(Ten Speed! If I must, then I must!)

Believer
You'll leave her
In leaving them all
(No, but I don't buy it)

Like anything you do

As anyone you are

Oooh

Nobody knows but you

Oooh

Nobody knows but you

(Cause I don't wanna ride tonight, no I don't wanna go)

(No I don't wanna ride tonight, oh maybe I don't wanna go)

Ten Speed: But are you gonna kill her off?

The Writing Writer: Are you insane?! I love her character -- she stays!

Ten Speed: Yeah, well, the only thing love's done is put you in this position -- I SAY KILL HER OFF!

The Writing Writer: And how does that work?? -- you're a bicycle!

Believer

You'll leave her

In leaving them all

(No, but I don't buy it)

Like anything you do

As anyone you are

(Ten Speed! If I must, then I must!)

Believer

You'll leave her

In leaving them all

(No, but I don't buy it)

Like anything you do

As anyone you are

Cause I'm --

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood!

And Burial!

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood and Burial!

Ten Speed, of God's Blood!
