

Coheed And Cambria, The Velourium Camper I: I

With the worries that I'd give her in they told the worst of me
My wanting just to hold your neck in my arms and feel me squeeze
No I'm not going to give you what you want so if you please
The sin that shapes your voice carries my ears this new disease

Did somebody take your tongue?
In worries of the words that you couldn't say if they could've saved them from
But I don't want to sleep without so I bid to you goodnight
Tonight, sleep tight, my love

The anxious through the calming storm you'll sit as you pray for rain
I'll touch if you ask me to but how is up to you
No I'm not going to let you get up if you struggle willingly
I'll favor all your form to show you how its been done to me

Did somebody take your tongue?
In worries of the words that you couldn't say if they could've saved them from
But I don't want to sleep without so I bid to you goodnight
Tonight, sleep tight, my love

With all the words you say...you'll save

You were so well behaved
As you watched them change your way
This gift for you engraved
This shift as you stretch your legs
You were so well behaved
You were so well
Who taught these tricks that make...you were so well behaved

If the world stops turning girl you better not stop when I say
If there was nothing you could do to stop it why'd you try
Then the ground starts parting through the silence as you woke up the dead
Everything here dies alone...

But I'm not quite sure what you've been told...on labor day
I'm not starting with you but the faint of heart

While worries wait...

But I'm not quite sure what this unfolds...on labor day
I'm not starting with you but the faint of heart

Did somebody take your tongue?
In worries of the words that you couldn't say if they could've saved them from
But I don't want to sleep without so I bid to you goodnight
Tonight, sleep tight, my love

Did somebody take your tongue?
In worries of the words that you couldn't say if they could've saved them from
But I don't want to sleep without so I bid to you goodnight
Tonight, sleep tight, my gun
