

# Coil, The Anal Staircase

And the angels kiss  
Our souls in bliss  
Measure the extent  
of a dizzying descent  
Down the  
Anal staircase.  
Put just one foot on  
the staircase  
And the next step  
you're down here  
On this face.  
And the rapids  
Of my heart  
Will tear your  
ship of live apart  
And we'll  
End up wrecked  
We'll end up  
at the start  
Of the Anal Staircase.  
And the angels kiss  
Our souls in bliss  
Measure the extent of a  
dizzying descent  
Down the  
Anal staircase.  
Take a  
hollowpoint revolver  
Shoot down the rapids  
Of your heart  
Blow the fucking  
Thing apart  
Blow the fucking  
Thing apart.  
One step  
Two step  
Three step  
Four Step.
