

# Coko, Everytime

verse1- didn't know this house could feel so empty didn't my nights  
could be so long i flash back to memories everytime we make love  
it feels like you're here with me but i am all alone

chorus- everytime we say goodbye you take a piece of me with you  
and everytime i close my eyes i feel ya comin' back to me to me

verse2- i didn't have the chance to kiss and hold you as long as i really  
wanted to but i can hear your sexy voice in my ear saying it won't be  
long until you're here

repeat chorus

verse3-as i lay me down down to sleep thoughts of you come rushing to me  
me now you're on the phone talking sweet sayin' you're saving your  
love for me yeah

chorus

bridge- everytime everytime everytime everytime everytime everytime  
everytime everytime

repeat chorus 2x
