

# Coko, Sunshine

chorus

sunshine, sunshine  
brighten up my day  
i love you always  
sunshine, sunshine  
never go away  
stay right here with me

verse 1

baby when you're around me you just can't do no wrong  
everyway is the right way cause your love is so strong  
and whenever i need you you're always right there  
to let me know you love me and how much you care

chorus

verse2

at first it seemed so hard for me to find

finally that day came and my whole life changed  
so beautiful true love has made my life  
brung me happy days chased my clouds away

hook

I believe the day you came my cloudy days swept away  
goodbye to lonely days  
and i know without you in my life is filled with rain  
so stay right here with me
