Colbie Caillat, Feelings Show

You told me You'd wait here patiently but I wonder if he's kidding Well maybe he could be serious now Maybe not Maybe not Because'

Love is crazy
Pretty baby
Take it real slow
My feelings show
All you have to do
Is never ever let it go
My feelings show
And I want you to know

I'm sorry it's taking me so long To find out what I'm feeling I wonder if it will come to me Maybe not Maybe not Because'

Love is crazy
Pretty baby
Take it real slow
My feelings show
All you have to do
Is never ever let it go
My feelings show
And I want you to know
My feelings show

I want you to know

What I'm trying to say is that I'm feeling a change and I'll let it take all over If you need time away I won't ask you to stay But I don't want to lose you

Love is crazy Pretty baby Take it real slow My feelings show All you have to do Is never ever let it go My feelings show Love is crazy Pretty baby Take it real slow My feelings show All you have to do Is never ever let it go My feelings show And I want you to know My feelings show

Never ever let it go My feelings show Never ever let it go My feelings show Never ever let it go My feelings show
