

Colbie Caillat, I Do

It's always been about me myself and I
If all relationships were nothing but a waste of time
I never wanted to be anybody's other half
I was happy to say that our love wouldn't last
That was the only way I knew to that you

You make we wanna say
I do, I do, I do...
Yeah, I do, I do, I do...
Cause every time before we spend like
Maybe yes and maybe no
I can live without it, I can let it go
Oh, I did, I get myself into
You make we wanna say I do, I do...

Tell me is it only me
Do you feel the same?
You know me well enough to know that I'm not playing games
I promise I won't turn around and I won't let you down
You can trust and never feel it now
Baby there's nothing, there's nothing we can't get through

So can we say
I do, I do, I do, do...
Oh baby, I do, I do...
Cause every time before we spend like
Maybe yes and maybe no
I won't live without it, I won't let it go
Wooh Can I get myself into
You make we wanna say

Me a family, a house a family
Ooh, can we be a family?
And when I'm old and sit next to you.

And when we remember when we said
I do, I do, I do, do do...
Oh baby, I do, I do, I do...
Cause every time before we spend like
Maybe yes and maybe no
I won't live without it, I won't let it go
Just look at what we got ourselves into
You make we wanna say I do, I do...
Love you
