

Colby O'Donis, Ooh Aah

Yeah yeah

Eyy

Makin' them ooh aah sound, sound

Ho whoaaa (Ey)

So shawty lay right down

I'm feelin' to show you how it's 'bout to go down

Just get it started, know exactly what to do

Since you're a symphony from me and you, and you, and you

With every up and down

Playing your body like the strings on a Spanish Guitar

I know you inside out

We're making music now

We're making music now

All night long

Til the break of dawn

You and I be makin' them Ooh Aah Sounds

Like oh, oh, oh, oh

Like ah, ah, ah, ah

All night long

Til the break of dawn

You and I be makin' them Ooh Aah Sounds

Like oh, oh, oh, oh

Like ah, ah, ah, ahh

Slide your finger's down my neck

Climax take twenty then we start another set

My swagger's hella when I break this down

Like acapella take the instruments out, out, out

With every up and down

Playing your body like the strings on a Spanish Guitar

I know you inside out

We're making music now

We're making music now, baby

All night long

Til the break of dawn

You and I be makin' them Ooh Aah Sounds

Like oh (Oh), oh (Oh), oh (Oh), oh (Oh)

Like aah (Aah), aah (Aah), aah (Aah), aah (Aah)

All night long

Til the break of dawn (Baby)

You and I be makin' them Ooh Aah Sounds

Like oh, oh, oh, oh (Oohhh, baby)

Like ah, ah, ah, ah (Say, oohhhh, baby)

Ahhh, oh, oh, oh, oh (Oooo, yeahh)

Like ah, ah, ah, ahh

Ahhh, oh, oh, oh, oh (Ey ey, yeahh)

Like ah, ah, ah, ahh

With every note we sing

Can;t help but noticing

We're perfecting our love song (Love song)

And no one else got rhythm like we do

Like we do

All night long (Ey)

Til the break of dawn (Ey)

You and I be makin' them Ooh Aah Sounds

Like oh (Oo), oh (Oh), oh (Oo, baby, yeah), oh

Like ah, ah, ah, ah (See, believe it girl)

All night long (Say no one else)

Til the break of dawn(Say no one, girl)

You and I be makin' them Ooh Aah Sounds

Like oh (Oohhh, yeah, baby), oh, oh, oh

Like ah, ah, ah, ahh

All night long

Til the break of dawn (Ooh, Aah)

You and I be makin' them Ooh Aah Sounds (yeahh)

Like oh, oh, oh, oh (Eyy yeahh)
Like aah (Aah), aah (Aah), aah, aahh
(Makin' them Ooh Aah Sound)
