

Cold, Stupid Girl

Wanna love ya
Wanna bug ya
Wanna squeeze ya
Stupid girl

Wanna touch ya,
Wanna take ya,
Wanna shut ya,
Stupid girl.

I can't take this,
Born to break this.

She's going away,
(She's going away)
What's wrong with my life today?
She's going away,
(She's going away)
What's wrong with my life today?
Stupid girl, Stupid girl

I'm a loner,
I'm a loser,
I'm a winner,
In my mind.

I'm a bad one,
I'm a good one,
I'm a sick one,
With a smile.

I can't take this,
Born to break this.

She's going away,
(She's going away)
What's wrong with my life today?
She's going away,
(She's going away)
What's wrong with my life today?
Stupid girl, Stupid girl

[acoustic break]
Stupid girl, Stupid girl

(whoa)

She's going away,
(She's going away)
What's wrong with my life today?
She's going away,
(She's going away)
What's wrong with my life today?
Stupid girl, Stupid girl

[repeat chorus til end.]
