

# Coldplay, Green Eyes

Honey you are a rock,  
Upon which I stand.  
And I come here to talk,  
I hope you understand.

The green eyes, yeah the spotlight, shines upon you  
And how could, anybody, deny you?

I came here with a load,  
And it feels so much lighter now I met you.  
And honey you should know,  
That I could never go on without you.

Green eyes...

Honey you are the sea,  
Upon which I float.  
And I came here to talk,  
I think you should know.

The green eyes, you're the one that I wanted to find,  
And anyone who tried to deny you, must be out of their mind.

Because I came here with a load,  
And it feels so much lighter since I met you.  
Honey you should know,  
That I could never go on without you.

Green eyes, green eyes...

Oh oh oh oh. (x4)

Honey you are a rock,  
Upon which I stand..
