

Coldplay, Ink

Got a tattoo that said "2gether thru life"
Carved in your name with my pocket knife
And you wonder when you wake up, will it be alright?
Feels like there's something broken inside

All I know
All I know
Is that I'm lost wherever you go
All I know
Is that I love you so
So much that it hurts

Got a tattoo and the pain's alright
Just wanted a way of keeping you inside

All I know
All I know
Is that I'm lost in your fire below
All I know
Is that I love you so
So much that it hurts

See the road begin to climb
See your stars begin to shine
I see your colors
And I'm dying of thirst
All I know is that I love you so
So much that it hurts
So much that it hurts
