

Coldplay, Proof

So I waited for you
What wouldn't I do?
Am I better of to?
Oh and I'm honest too

If I ever want proof
Oh then I'll find it in you
Oh yeah I honestly do
In you I've got proof

Light, dark
Bright spark
Light, dark, light
Oh yeah I waited all night
Oh who wouldn't sigh?

Yeah I waited for you
What would I do?
And if I ever want proof

Then I'll find it in you, I do
Yeah I honestly do
In you I've got proof

Bright spark light and
Dark bright spark try
