## Coldplay, Proof

So I waited for you What wouldn't I do? Am I better of to? Oh and I'm honest too

If I ever want proof Oh then I'll find it in you Oh yeah I honestly do In you I've got proof

Light, dark
Bright spark
Light, dark, light
Oh yeah I waited all night
Oh who wouldn't sigh?

Yeah I waited for you What would I do? And if I ever want proof

Then I'll find it in you, I do Yeah I honestly do In you I've got proof

Bright spark light and Dark bright spark try
