

Coldplay, Strawberry Swing

They were sitting
They were sitting on the Strawberry Swing
Every moment was so precious

They were sitting
They were talking under Strawberry Swing
Everybody was for fighting
Wouldn't wanna waste a thing

Cold, cold water bring me 'round
Now my feet won't touch the ground
Cold, cold water what ya say?
When it's such...
It's such a perfect day
It's such a perfect day

I remember
We were walking up to Strawberry Swing
I can't wait until the morning
Wouldn't wanna change a thing

People moving all the time
Inside a perfectly straight line
Don't you wanna just curve away?
When it's such...
It's such a perfect day
It's such a perfect day

Now the sky could be blue
I don't mind
Without you it's a waste of time

Could be blue
I don't mind
Without you it's a waste of time

Could be blue,
Could be gray
Without you I'm just miles away

Could be blue
I don't mind
Without you it's a waste of time
