

Collide, So Long

so long
why does it take so long
what if i wait for you
am i the only one
so long what did it mean
turn around here and
see if it breaks in two
am i the only one
secrets turn your soul out
i could always be there
make this all
i turn around
suddenly
what if it breaks in two
am i the only one
so long
forget your going
so long
show me there
i think you will
So long
what did it mean
why does it take so long
what if it breaks in two
am i the only one
secret tears your soul out
i could always be there
so suddenly
flying through the air
am i not the only one
the only onlyone
did i tell you
sometimes it hurts
