

# Collin Raye, I Want To Be There

I love you and your tango dress  
And going where the music says  
I pray this love song never ends

'Cause when we spin like this  
I know where heaven is  
Right here in the moment that we're in  
Love happens when we get this close  
Whatever happens, don't let go

I want to be there  
When you dance  
When you laugh  
When you cry  
For the rest of our lives  
I want to be there  
In your arms  
In your world  
In your heart  
Wherever you are  
I want to be there

Every night's like a New Year's Eve  
Every day that you're here with me  
Every touch is a cause for celebration

I want to be your birthday kiss  
I want to be your every wish  
I want to be your strongest temptation  
Through all the years that go by  
You'll find me right here by your side

I want to be there  
When you dance  
When you laugh  
When you cry  
For the rest of our lives  
I want to be there  
In your arms  
In your world  
In your heart  
Wherever you are  
I want to be there

I want to be there  
When you dance  
When you laugh  
When you cry  
For the rest of our lives  
I want to be there  
In your arms  
In your world  
In your heart  
Wherever you are  
I want to be there

When you laugh and when you cry  
For the rest of our lives

I want to be there  
I want to be there  
In the good times  
And in the bad times too, baby  
I want to be there

I want to be there  
'Till the end of time with you now  
When you laugh and when you cry baby  
For the rest of our lives
