

# Colony 5, Freedom

Why can't I understand you?  
You made me believe  
You showed me how to live  
But now you make me feel so sad  
For something I did ages ago  
I didn't mean to hurt you

I'm trying to make this heal  
Don't look down on me  
See me as I am  
I'm letting you go free  
I'm letting you go free

Sometimes I hear you cry  
If you could only trust me  
I will help you through  
Will you accept my words?  
It's a promise

I'm trying to make this heal  
Don't look down on me  
See me as I am  
I'm letting you go free  
I'm letting you go free

I'm trying to make this heal  
Don't look down on me  
See me as I am  
I'm letting you go free  
I'm letting you go free

I'm letting you go free  
I'm letting you go free
