

Colony 5, Freedom

Why can't I understand you?
You made me believe
You showed me how to live
But now you make me feel so sad
For something I did ages ago
I didn't mean to hurt you

I'm trying to make this heal
Don't look down on me
See me as I am
I'm letting you go free
I'm letting you go free

Sometimes I hear you cry
If you could only trust me
I will help you through
Will you accept my words?
It's a promise

I'm trying to make this heal
Don't look down on me
See me as I am
I'm letting you go free
I'm letting you go free

I'm trying to make this heal
Don't look down on me
See me as I am
I'm letting you go free
I'm letting you go free

I'm letting you go free
I'm letting you go free
