

# Color Me Badd, All For Love

I'm so glad you're my girl  
I'll do anything for you  
Call you every night  
And give you flowers, too  
I thank the Lord for you  
And think about you all the time  
I ask Him everyday  
That you'll forever be mine  
I wanna hold your hand  
To show you I'll be there  
I like to do the things  
That let to know I care  
I sing this lullaby  
'Cause girl you fill me full  
I look into your eyes  
You're so beautiful  
Oh girl I think I love ya  
I'm always thinkin' of ya  
I want you to know I'd do it all for love  
I love it when we're together  
Girl I need you forever  
and want you to know I do it all for love  
I will never leave you, Sugar  
This I guarantee  
I look into the future  
I see you and me  
Knight in shining armor  
I will be your fairy tale  
I wanna take care of you  
Girl, I'll serve you well.  
I will be there for you  
To catch you when you fall  
I'll hold you in my arms  
That's where you belong  
I sing this lullaby  
'Cause girl you fill me full  
I look into your eyes  
You're so beautiful...beautiful...yeah!  
Oh girl I think I love ya  
I'm always thinkin' of ya  
I want you to know I'd do it all for love  
I love it when we're together  
Girl I need you forever  
and want you to know I do it all for love  
(speaking part)  
Yo-Come here, sweetheart  
I want you to know something all right  
See everyday in my life without you  
would be like a hundred years  
The distance between us  
An ocean of tears  
See all the things I do for you  
Are for love-- dig it  
(singing)  
All for lovin' (all for love)  
All for you (you, you, you)  
All for lovin' you (you)  
Oh girl I think I love ya  
I'm always thinkin' of ya  
I want you to know I'd do it all for love  
I love it when we're together  
Girl I need you forever  
and want you to know I do it all for love
