

Combichrist, Intruder Alert

Intruder - Alert!
Intruder - Alert!
Intruder - Alert!
Intruder - Alert!
Intruder - Alert!
Intruder - Alert!

Now it's time for me to make some room...
This is not for the fans....
I only came to make some noise...
I only came to dance....
I only came to dance....
I only came to dance....
I only came to dance....
I only came to dance.....
