

Commissioned, Ordinary Just Won't Do

Have you ever needed someone
Who's shoulder just to cry on
To ease the agony
And find tranquility
Sweet and gentle touch
Speaks of words of love and mean so much
Ordinary just won't do
I need someone my Lord I need someone
That someone is you
That someone is you

A quest in order to find
What lies in my heart in my soul in my mind
Sometimes serenity
Sometimes there's misery
So many weaknesses and faults I've got to learn to
Share the inner most and secret thoughts
The ordinary person just won't do
Lord I need, Lord I need someone
That someone is you
That someone is you

Lord I need a special touch
That will mean so very much
Close friends they don't seem to understand
Problems in your life
So complexed you say who can comprehend
Tragedy when you need relief
Only Jesus Christ can supply your need
Sweet and gentle touch
That will speak a word of love and mean so much
The ordinary just won't do
I need someone, Lord I need someone
That someone is you
That someone is you

The ordinary just won't do
I need a love that's pure and true I
Can always find it in you Jesus
The ordinary just won't do I
Gotta have a touch from you I
Can always find it in you Jesus
