

# Company Of Thieves, In Passing

One time we were in passing  
I watched the future  
Swirling 'round  
Around my head  
And this is how it went

You and I both  
A long time waiting in lines  
Too long to comprehend  
We both sat  
Waiting in line for the rest of our lives

Yoo hoo, hoo hoo  
Forever and after  
We went on forever

One time you were inhaling  
I saw the smoke rings  
Whirling 'round  
Your heedless head  
You bored me to my death

You and I both  
Alongside waiting outside in lines  
Too long to comprehend  
We both sat in lines  
Waiting for the rest of our lives

Yoo hoo, hoo hoo  
Forever after  
We went on forever

I prefer to sleep alone  
I prefer to stay right here  
Don't come searching

I prefer the windows up  
I prefer the fresher air  
And for the record

Yoo hoo, hoo hoo  
Forever and  
Forever and after  
We went on forever  
And after  
We went on forever
