

Conan Gray, Best Friend

Remember when you broke up With your fucking ex
God I'm glad you've finally Gotten over them
Only took about
100,000,000 texts
(God I swear that bitch was such a narcissist.)

Everybody knows
I love you so, so, so, so much Cuz every time they ask
I always tell, tell, tell, tell them

That's my fucking best friend
That's my fucking right hand
That's my fucking throw up in the bathroom But still love them
That's my fucking best friend, best friend That's my fucking best friend, best friend That's my fuckin
That's my ride or die, like
That's my fucking hate you
But you know that that's a damn lie
Baby you're my best friend, best friend Baby you're my best friend, best friend Baby you're my...

Made a promise that I'm gonna marry you
If we're both still single by like...32.
And that shit is gonna end up being true
Cuz I hate like everyone except for you
Who else is gonna grocery shop with me at 2AM? Who else will take that picture for you
Just to get revenge
You're just as psycho as me
Just as sick inside the head
So when they ask, I've always said: That's my fucking best friend

That's my fucking right hand
That's my fucking throw up in the bathroom but still love them
That's my fucking best friend, best friend
That's my fucking best friend, best friend

That's my fucking life line
That's my ride or die, like
That's my fucking hate you but you know that that's a damn lie Baby you're my best friend, best friend
Baby you're my best friend, best friend
Baby you're my...
