Forward  
Forward  
Forward

here we are  
in the dark and ..  
hold down here  
and you truth  
you look at me  
with a frozen heart  
you out for blood

but you and me  
will never be the same  
you and me  
further gonna say

baby to the light  
baby to the sky  
I am dancing to the scena  
and ...  
baby to the light  
baby to the sky  
I know we close to the ..  
....

be  
Forward, Forward, Forward, Forward  
be  
Forward, Forward, Forward, Forward

Forward Forward Forward Forward

you're not the first who's try to brake me  
I've got taste that can be talk  
heare me  
no  
I say it loud  
clear out to find...

but you and me  
will never be the same  
you and me  
further gonna say

baby to the light  
baby to the sky  
I am dancing to the scena  
and ...  
baby to the light  
baby to the sky  
I know we close to the ..  
....

be  
Forward, Forward, Forward, Forward  
be  
Forward, Forward, Forward, Forward
