

# Concrete Blonde, Inside/Outside

what I feel inside,  
sometimes is hard to get out.  
lost in translation  
what I'm thinking about.

the voices inside...  
I believe when I hear  
they come from somewhere  
between my heart & my ear...

INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.

here on the inside  
there's a war going on  
with what's on the outside  
where I don't think I belong.

when I go outside  
it's all so crazy out there  
I like it inside  
it's so much safer in here.

INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.

if you could turn yourself  
turn yourself inside out  
what would I see then?  
what would you be all about?

who's on the inside?  
behind the cheap paper face  
some other someone  
is slowly taking your place.

INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.  
INSIDE vs.  
OUTSIDE.
