

# Connells, Fun & Games

Let me tear down into your heart  
Let me take a seat and stay awhile  
Let me tear down into your heart  
Ah, fun and games.

Let me steal a glimpse from your eyes  
Let me pin it up and stare awhile  
Let me steal a glimpse from your eyes  
Ah, fun and games.

Let me have a half of your whole  
Let me keep it for myself awhile  
Let me have a half of your whole  
Ah, fun and games.

Let me take the words from your mouth  
Let me swallow them and speak awhile  
Let me take the words from your mouth  
Ah, fun and games.

Didn't I offer less than I lost?  
Didn't I mean to find it all?  
Look, don't let me size it up.  
Hey, right.
