

Connie Francis, God Bless America

He's my dreamboat, asleep in English class,
He's my dreamboat, mowin' his folk's grass,
He's my dream boat with the dreamy, dreamy eyes.
He's my dreamboat, workin' on his car,
He's my dreamboat, straddlin' his guitar,
He's my dreamboat with the dreamy dreamy eyes.
Well now,
I dream of dreamboat in everything I do
And I know that darlin'dreamboat
Dreams of me too.
He's my dreamboat, coffee in a Dixie cup,
Darling dreamboat, that crazy, silly nut,
He's my dreamboat with the dreamy, dreamy eyes.
Yes, he's my dreamboat, coffeain a Dixie cup,
Darlin dreamboat, that crazy, silly nut,
He's my dreamboat with the dreamy, dreamy eyes.
