

# Connie Smith, Easy Come Easy Go

Easy come easy go I found out a long time ago  
Ain't no future in the past broken hearts and all that jazz  
No tears of mine're gonna flow I'll have another love tomorrow easy come easy go

If it's true what you say in your letters if your sweet love for me is really gone  
If there's somebody else that you love better  
Pack your bag shake my hand and move along  
Easy come easy go...

So you took my photograph from your pocket  
And replaced it with the one you love the best  
Well I'll give back your ring and I can hock it what's one little diamond more or less  
Easy come easy go...
