

Connie Smith, Everybody Loves Somebody

Everybody loves somebody sometime everybody falls in love somehow
Something in your kiss just told me my sometime is now
Everybody finds somebody someplace there's no telling where love may appear
Something in my heart keeps saying my someplace is here
If I had it in my power I'd arrange for every boy to have your charms
Then every minute every hour every girl would find what I found in your arms
Everybody loves somebody sometime and although my dream was overdue
Your love made it all worth waiting for someone like you
(If I had it in my power) I'd arrange...
(Everybody loves somebody sometime)
