

Connie Smith, Fool No.1

(Now I guess that I'm the biggest fool of all)
Am I fool No 1 or am I fool No 2 how many other girls have been fooled by you
I suppose that the number is far from being small
And I'll bet that I'm the biggest fool of all

If I had the chance I guess I'd do it all again
I'd go down that same old road even knowing at the end
You'd leave me when your heart hears a new love call
So I guess that I'm the biggest fool of all
Am I fool No 1...
Yes I guess that I'm the biggest fool of all
