

Connie Smith, It Only Hurts For A Little While

It only hurts for a little while that's what they tell me that's what they say
It only hurts for a little while then all your heartaches will fade away
It's so easy to be smart with somebody else's heart
But I don't know how to start forgetting you what can I do
Oh it only hurts for a little while that's what they tell me just wait and see
My heart will break till you come back to me
[fiddle - ac.guitar]
My heart will break till you come back to me
(It only hurts for a little while)
