

# Connie Smith, When I Sing For Him

When I sing for him oh praise God's holy name I can feel his presence in my soul  
When I sing for him oh blessed be his name how I rejoice within when I sing for him  
As I sing a melody that he gave when I speak God's name in song or kneel to pray  
Oh I have a special feeling deep within when I sing for him  
When I sing for him in person hallelujah when I move to my new home hallelujah  
Oh the angels will be singing hallelujah amen when I sing for him when I sing for him  
Oh when I sing for him in person...  
When I sing for him
