

Connie Stevens, Sixteen Reasons

(Sixteen Reasons) Why I love you

- 1...The way you hold my hand
- 2...Your laughing eyes
- 3...The way you understand
- 4...Your secret sighs

They're all part of sixteen reasons why I love you

- 5...The way you comb your hair
- 6...Your freckled nose
- 7...The way you say you care
- 8...Your crazy clothes

That's just half of sixteen reasons why I love you

- 9...Snuggling in the car
- 10...Your wish upon a star
- 11...Whispering on the phone
- 12...Your kiss when we're alone
- 13...The way you thrill my heart
- 14...Your voice so neat
- 15...You say we'll never part
- 16...Our loves complete

Those are all of sixteen reasons why I love you
