i crashed my car the other day too busy thinking about your face even though I just saw you yesterday it's a hazard to my health I don't fo fnothing for myself you made me turn up late fer work again

I am talking about talking about talking about talking about you yo all of my all of my all of my friends at the room they won't go back

I hate how much I love you and I hate much I care I spend all of my money and all my time cause I hate our love, I do I hate how much I love you I hate how much I love you I hate how much I love you

I emptied out my bank account just so that I could take you out to somewhere that you've never been before and I told my friends a thousand lies so I could be with you tonight they don't believe a word I say no more

I am talking about talking about talking about talking about talking about you yo all of my all of my friends at the room they won't go back

I hate how much I love you and I hate much I care I spend all of my money and all my time cause I hate our love, I do I hate how much I love you I hate how much I love you I hate how much I love you
