

# Conrad Sewell, Taste the Feeling” (Coca-Cola ca

Feels good  
In my heart  
In my soul  
When your arm's beside me  
I don't never walk this day to end  
We can..  
When you're sitting beside me  
Take a little

So we can feel  
The rhythm you feel  
Together we be  
Together

No one can't stop  
...  
Taste the Feeling  
Nothing can ever bring me down  
/2x

Feels good  
When we stay on the show  
But the heart wants to jumpin'  
Gram another coke lets ...  
My love, there's a song in my soul  
When you're around me  
Let's make easy to sing it

□  
So we can feel  
The rhythm you feel  
Together we be  
Together

No one can't stop  
...  
Taste the Feeling  
Nothing can ever bring me down  
/2x

When ... fading something  
You see stars alight  
It makes a simple moment  
...

So we can feel forever  
You and Me together  
Stay free forever  
And be really together

No one can't stop  
...  
Taste the Feeling  
Nothing can ever bring me down  
/2x
