

# Consequence, Why Do I Even Go Home (ft. John)

Who don?t want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone)  
Oh, no!

Who don?t want me??  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone)  
Oh, no!

To everybody that would know  
A proper couple, sorry folks  
I hate to burst your bubble, but  
This bubble boy ain?t nothing but a motherf-cker  
A lover hustler, the custom cuttler  
I mean this absurd, and I got talk nerves  
Wearing my uncut words, what in her eyes again  
I?ve got no choice, but really say fuck her  
That?s my world, I ain?t singed for all of this  
Cause all of this is that I?d never call her bitch  
Won?t you call her bitch!  
But then thing changes,  
And best friends become strangers.

Who don?t want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)  
Oh, no!

Who don?t want me??  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)  
Oh, no!

The things I read in my black own messenger  
Just read, I can't mess with up with you  
Cause you?d be tryna raise my blood pressure up  
And nothing that I do ever merges up,  
I should get you a complain rocks  
Or to stay about the ? rocks.  
Cause can we come when they come up with the day  
You can come up with the tuners  
And I?d be coming in.  
No, I?m ass I might be going over board  
So I?m winning, what you? call the store  
Came home, figure I?d surprise you  
You said it .. and maybe I would fly too.  
But .. born, it?s just typical like you.  
Cause how the hell are you gon? tell me  
When you open up the gift and see your Gucci?  
Yeah, nigga I want it LV.

Who don?t want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)  
Oh, no!

Who don?t want me?  
I need to go home.

Why should I never leave it alone?  
(There she go, give it alone, alone)  
Oh, no!

The sentiments that I've expressed, is nothing news  
But there's nothing to get me upset, a bubble fuse  
Cause I ? rules  
Cause I'm in bed, watching eschimo 2  
Well, is nothing else to do than me thinking  
I should be out with a model, breathtaking  
Instead of waking up with you, whatch you wash taking.  
My life would call less and less about women, it ain't about women  
And let the things nigger  
What if we got a issue, and you won't lift a finger  
And give me attitude til I got disconnect the ringer  
Like I could see you wise whispering  
For we singles, so I should make a U turn over the D tour  
Before I turn into a wild that's mean toys  
And that's why I'm sitting this turn.  
Let me take my crazy ass home

Who don't want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)  
Oh, no!

Who don't want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)

One day you'll walk through the door,  
And I-I-I'll be gone.  
Yeah, I'll be gone  
Why do I even go home?  
Sing the same old song?  
Come on, one day I'll be gone  
Yeah, I'll be gone  
Why do I even go home?  
Do you say a home?  
/x2

Who don't want me?  
I need to go home.  
Why should I never leave it alone?  
(There she go, give it alone, alone)
