

# Consumed, Do The Duchess

You need a bigger briefcase,  
with your size ten shoes and get a better haircut,  
it'll give you more to choose.  
You think you're on the ball, but you know nothing.  
You've got a fucking shit job, just like your cousin.  
I think he's inbred.  
It's in the family.  
It's in his make-up.  
I'm not saying that he wants to be.  
I didn't tell him that he ought to be.  
I'm not saying that he wants to be.  
I didn't tell him that he ought to be.  
Don't tell him that he needs to be.. like you.  
I think he's inbred.  
It's in the family.  
It's in his make-up.  
Genetic make-up.
