

# Conway Twitty, 15 Years Ago

I saw a man today who said he talked to you  
Not so long ago, I think a month or two  
As my mind raced back in time  
I pray, oh Lord don't let it show  
He thinks I forgot you fifteen years ago.

Fifteen years ago and I still feel the same  
Why did he have to mention your name  
I'm as broken up inside as if it's been a week or so  
Takes a mighty strong love to keep a man thinking of  
A girl he hasn't seen since fifteen years ago.

I've got a lovely wife who thinks the world of me  
Promised her my love through all eternity  
I've tried hard to make her happy  
And so far she doesn't know  
I can't shake this thing of fifteen years ago.

Fifteen years ago and I still feel the same  
Why did he have to mention your name  
I'm as broken up inside as if it's been a week or so  
Takes a mighty long time  
To get a real love off your mind I know  
I've tried since fifteen years ago...

Moderator Note: The song on this album is correct as listed.

There is a second version of lyrics where the second line from the bottom reads "To get a real love  
the additional "I know" included. This version is found in the album titled "20 Classics" track 06 from
