

Conway Twitty, I'll Never Get Tired (Of Saying I L

Honey I love you and I say it again
And I felt this way since I don't know when
You're a part of me and everything I do
Oh I'll never get tired of saying I love you
Cause I love you I love you I love you

[guitar]

Well it's heaven to me when I hold your hand
Cause endlessly you're my lover man
You make me feel so good and I might you too
I'll never get tired of saying I love you
Cause I love you I love you I love you

I'll never get tired cause you keep me inspired
To say I love you is so easy to do oh I love you yeah I love you
[steel]

I'll never get tired cause you keep me inspired
To say I love you is so easy to do oh I love you yeah I love you
(I love you) honey I love you (I love you) you know I love you
(I love you) baby I love you
