

Cool Hand Luke, Floating Smile

I'm sad that I don't think about You
Because I just can't get on without You
You speak in the funniest things
Glimpses of Heavenly dreams

Lately it seems that it's harder
For my legs to walk any farther
I need you to show me I need you
And give me the faith to believe you

One day You'll come back
Soon You will come back
One day You'll take me home (x2)

We'll fly away (x3)
Forever and ever
On a floating smile
