

Cootees, Coke Song

Go!

Caffeine in my system
Makes me feel so good inside
Yeah, it wakes me in the morning
When I take that caffeine ride

I am so thirsty my throat's so dry I choke
There is no question, and this is no joke
I need some Coke!

Looking in the mirror
I start jumping all around
Yeah, I fear that dreadful moment
When the caffeine high goes down

I am so thirsty my throat's so dry I choke
There is no question, and this is no joke
I need some Coke!

It's what I need
(Liquid satisfaction)
Won't you buy it for me...Coke!

I am so thirsty my throat's so dry I choke
There is no question, and this is no joke
I need some Coke!...Coke!...Coke!...oh...Coke (Burps)
