

Cootees, They Don't Know

I don't know what I'm doing
But I'm sure of myself
Everything'll work out fine
But people have their doubts...

Fire in the hole
There is nowhere to go
And they don't know...
Fire in the hole
There is nowhere to go
When I gain control

Everyone is tellin' me
How to live my life
They think they know...
How to live mine

Fire in the hole
There is nowhere to go
And they don't know...
Fire in the hole
There is nowhere to go
When I gain control

Fire in the hole
When I gain control

Fire in the hole
When I gain control
