

# Corey Hart, Eurasian Eyes

Eurasian eyes are watchin' me  
Like a river, o you flow through me  
Eurasian eyes are runnin' still  
Whispered moments cut the chill  
When eurasian eyes are watchin' me

Do you feel the passion in me

Cos I'm the one that said I'd never care  
For someone like you  
Now I'm the one who lacks the eloquence to say

(To say) that when the world is cold  
With no one to hold  
I can only see eurasian eyes  
love won't lie  
cause the truth would cry  
That I can only see eurasian eyes

Eurasian eyes inspire me  
Look for the magic until I see  
Eurasian eyes so honestly

Do you feel the passion in me  
cause I'm the one that said I'd never care  
For someone like you  
Now you're inside me and I won't defend  
What I want to do for you

(But I said)  
Now I'm the one who lacks the eloquence  
To say, to say

When the world is cold  
With no one to hold  
I can only see eurasian eyes  
(You know) if love won't lie  
Cos the truth would cry  
I can only see eurasian eyes  
And if my heart is blind  
Then why do I find  
That I can only see eurasian eyes

When the world is cold  
With no one to hold  
I can only see eurasian eyes  
(You know) if love won't lie  
Cos the truth would cry  
I can only see eurasian eyes  
And if my heart is blind  
Then why do I find  
That I can only see eurasian eyes
