

Corey Hart, Waiting For You

Everybody's lookin' for the answers
Everybody's lookin' for a place to hide
When I see you deep inside your shelter
Thinking that you got nobody on your side
Don't you know if you run the distance
You may be so far from the maddening crowd
I say the path of least resistance
Is knowing that you're around when I call out loud
I read the writing it's on the wall

[It says] here I am and I'm knocking at your door
Get a message and you're not alone I'm waiting for you
And you never have to worry no way no way
You're not alone I'm right beside you
And all you have to do is call me call me
You're not alone because I'm waiting for you
Lonely nights looking for salvation
Exactly what does that mean?
All I know is that I need relation
Nothin's else could every come between
I see the writing that's on the wall

[It says] here I am and I'm knockin' at your door
I get a message and you're not alone, I'm waitin' for you
And you never have to worry no way no way
You're not alone I'm right beside you
And all you have to is call me call me
You're not alone, I'm waiting for you
And you never have to worry
You're not alone
Because I'm waiting for you
I'm waiting for you
Waiting for you

You're not alone I'm waitin' for you
And you never have to worry no way, no way
You're not alone I'm right beside you
And all you have to do is call me call me
You're not alone I'm waiting for you
And you never have to worry
When I look in your eyes
You're not alone, I'm waiting for you
Waiting for you
Waiting for you
