

# Corey Taylor, On the Dark Side

The dark side's coming now, nothing is real  
She'll never know just how I feel  
From out of the shadows, she walks like a dream  
Make me feel crazy, make me feel so mean

Ain't nothin' gonna save you from a love that's blind  
Slip through the dark side, cross that line

On the dark side, oh yeah  
On the dark side, oh yeah

Dark side's coming, now nothing is real  
She'll never know just how I feel  
From out of the shadows, she walks like a dream  
Make me feel crazy, make me feel so mean

Ain't nothin' gonna save you from a love that's blind  
Slip through the dark side, cross that line

On the dark side, oh yeah  
On the dark side, oh yeah

Ain't nothin' gonna save you from a love that's blind  
Slip through the dark side, cross that line

On the dark side, oh yeah  
On the dark side, oh yeah

On the dark side, oh yeah  
On the dark side, oh yeah

On the dark side, oh yeah  
On the dark side, oh yeah

On the dark side, oh yeah  
On the dark side, oh yeah
