

Corey Taylor, Someday I'll Change Your Mind

Utwór 'Someday I'll Change Your Mind' z albumu 'CMF2' od Corey Taylor.

Here we are...
For several years and all these years to go
You are mine...
It just blows me away to know this every time
Remember when I said 'I'll change your mind'
I hope it's changing now- I want you to know
These are the days Oh... These are the days Oh...
The best ones of my life

What a dream
Sometimes it's so unreal for all it seems
I am yours
I don't ever want to leave your sunshine anymore
I told you 'someday I'll change your mind'
Our life is changing now- I want you to know
That these are the days, Oh... These are the days, Oh...
These are the days, Oh... These are the days, Oh...
The best ones of our lives

We have so much
A place inside no one can ever touch
Here we are
I want a year with you for every shining star
I hope to god I finally changed your mind
This life is ours now- I want you to know
That these are the days, Oh... These are the days, Oh...
These are the days, Oh... These are the days, Oh...
These are the days, Oh... These are the days, Oh...
